ESERCIZIO DI COMPrensIONE DEL TESTO

When exploring New York City, there are several different options for activities during a day trip. Some visitors come to see a show, visit art museums, or simply to shop in many of the city's high-end retailers. However, many tourists simply come to New York City for the sightseeing. One of the most visited landmarks in New York City is the Empire State Building. The Empire State Building, constructed in 1931, is a 102-story skyscraper, the ninth highest building in the world, and the fourth tallest structure in the United States. It is located in Midtown, Manhattan. This skyscraper is an iconic symbol of the city, having been featured in over 90 popular movies (as of 2018) throughout film history. Tourists come from all over the world to visit this building and view the city from its famous observation decks.

I just returned from the greatest summer vacation! It was so fantastic, I never wanted it to end. I spent eight days in Paris, France. My best friends, Henry and Steve, went with me. We had a beautiful hotel room in the Latin Quarter, and it wasn't even expensive. We had a balcony with a wonderful view. We visited many famous tourist places. My favorite was the Louvre, a well-known museum. I was always interested in art, so that was a special treat for me. The museum is so huge, you could spend weeks there. Henry got tired walking around the museum and said "Enough! I need to take a break and rest." We took lots of breaks and sat in cafes along the river Seine. The French food we ate was delicious. The wines were tasty, too. Steve's favorite part of the vacation was the hotel breakfast. He said he would be happy if he could eat croissants like those forever. We had so much fun that we're already talking about our next vacation!

Christina visited Miami during her winter vacation. She is from Boston, where it is cold during the winter months. Miami, however, has a very warm climate. There are many sunny days in Miami, and people can go to the beach all year long. Christina spent a good portion of her trip on the beach to relax and sunbathe. However, she also explored Miami and its surroundings. Inspired by Miami's proximity to the ocean, Christina visited the Miami Seaquarium to learn about marine life. There, she watched a show using trained dolphins, killer whales, and other aquatic mammals. She took a lot of pictures of the sea creatures jumping out of the water and performing tricks.
